expenses provided for herein. Unless otherwise provided for and designated as a Per Unit Expense by the Board on the budget, such proportionate share shall be based on his Percentage of Ownership. Payment thereof shall be in such amounts and at such times as may be determined by the Board as hereinafter provided.

9.02 Preparation of Estimated Budget. The Association shall, on or before December 1st of every year, prepare an estimate of the total amounts necessary to pay the cost of wages, materials, insurance, services and supplies which will be required during the ensuing calendar year for the rendering of all services, together with a reserve for contingencies and repairs/replacements. On or before December 15th, each Unit Owner shall be notified in writing as to the amount of such estimate, with reasonable itemization thereto. On or before January 1st. of the ensuing year and the 1st. of each and every month of said year each Unit Owner shall be obligated to pay to the Association, or as it may direct, one-twelfth (1/12) of the assessment made pursuant to this Section. On or before the date of the annual meeting in each calendar year the Association shall supply to all Unit Owners an itemized accounting of the maintenance expenses actually incurred for the preceding calendar year, together with a tabulation of the amounts collected pursuant to the estimate provided, and showing the net amount over or short of the actual expenditures plus reserves.

9.03 Reserve for Repairs/Replacements. The Association shall build up and maintain a reserve in the amount adequate to repair and replace major capital items in the normal course of operation, without the necessity of special assessments; provided that the amount set aside annually for such reserves shall not be less than ten percent (10%) of the budget for that year, unless such reserve requirement is waived annually by the Unit Owners exercising not less than a majority of the voting power of the Association.

9.04 Reserve for Contingencies. The Association shall build up and maintain a reasonable reserve for contingencies. Extraordinary expenditures not originally included in the annual estimate which may be necessary for the year shall be charged first against such reserve. If said estimated cash requirement proves inadequate for any reason, including non-payment of any Unit Owner's assessment, the same shall be assessed to the Unit Owners according to each Unit Owner's Percentage of Ownership or as otherwise stated herein. The Association shall serve notice of such further assessment on all Unit Owners by a statement in writing giving the reasons therefor, the amounts and the date or dates when such further assessment may be payable in a lump sum or in installments.

9.05 **Periodic Assessments**. Notwithstanding any provision in this Article, the Board may, at its option, elect that certain expenses such as insurance, water and sewer be paid by periodic assessments based on the billing date of such expenses. If the Board so elects such expenses shall be separately stated in the budget specifying the amount and due date thereof.

9.06 **Budget for First Year**. When the first Board hereunder takes office the Association shall determine the estimated cash requirement, as hereinabove defined, for the period commencing thirty (30) days after said election and ending on December 31st of the calendar year in which said election occurs. Assessments shall be levied against the Unit Owners during said period as previously provided for.

9.07 **Failure to Prepare Annual Budget**. The failure or delay of the Association to prepare or serve the annual or adjusted estimate on the Unit Owner shall not constitute a waiver or release in any manner of such Unit Owner's obligation to pay the maintenance costs and necessary reserves as herein provided, whenever the same shall be determined. In the absence of any annual estimate or adjusted estimate the Unit Owner shall continue to pay the monthly maintenance charge at the existing monthly rate established for the previous period until the first monthly maintenance payment which occurs more than ten (10) days after such annual or adjusted estimate shall have been mailed or delivered.

9.08 **Assessments**. Monthly assessments shall begin when the Declaration is Recorded. These assessments shall be paid by every Unit Owner of record including those Units the title of which is vested in Declarant after the Declaration is Recorded.

9.09 **Audit**. Upon the written request of any Eligible Holder on over fifty-one percent (51%) of the Units, or by any group of Eligible Holders who in the aggregate hold mortgages on over fifty-one percent (51%) of the Units, or upon written request executed by a Majority of Unit Owners, the books of the Association shall be audited, but not more than once every three (3) years by an independent registered or Certified Public Accountant, the results of which shall be sent to every Unit Owner of record, and the holder of any duly recorded mortgage against any Unit ownership who requests a copy thereof in writing.
